

Vacation Checks

The Blue Mound, IL Police Department offers a service to residents who will be out of town and would like the police department to keep an eye on their residence. If you are interested in having vacation checks while you are gone, please fill out a vacation check form. The vacation check form provides information on the dates the home will be unoccupied, contact information, vehicles that will remain at the house, and lights that will be left on or set on a timer. This information will assist Police in identifying possible suspicious activity at the home. The form may be filled out or picked up at the Blue Mound Police Department.

It is important that the homeowner notify the Police Department to cancel this service after returning home. If you have any questions, please contact the Blue Mound Police Department at 217-692-2711 or 217-692-2125.

Vacation Check Request

Complete the following information and the police department will conduct physical checks of your home or property while you are on vacation.
